Minneapolis, Minnesota, United States

Summary

I'm a driven and adaptable professional with hands-on experience across a wide range of industries—including healthcare, retail, education, and security. My journey has equipped me with a versatile skill set, strong work ethic, and the ability to thrive in fast-paced, dynamic environments.

I received vocational training through the Hubert H. Humphrey Job Corps (a U.S. Department of Labor program), where I earned multiple certifications from the CDC, Minnesota Department of Human Services, and others. Beyond the credentials, I gained foundational skills in professionalism, communication, and adaptability—skills that carry over into every career path I pursue.

My work history includes roles as a sales associate, swim instructor, nursing assistant, and security officer, among others. No matter the role, I approach my work with dedication, a willingness to learn, and a commitment to doing things the best that I can.

I'm passionate about growth—constantly learning, improving, and embracing new challenges.

Experience

IATSE

Stagehand

July 2022 - Present (2 years 10 months)

Local 13

As an IATSE stagehand, I assisted in the setup, operation, and breakdown of professional stage productions, ensuring all equipment and staging elements were safely and efficiently handled. I worked collaboratively with crew members to support lighting, sound, rigging, and scenery changes for live events and performances.

ALifeLivedFully

Software Engineer

April 2020 - Present (5 years 1 month)

United States

I've been building and experimenting with my personal website for several years, exploring everything from front-end design to back-end functionality. Along the way, I've implemented features like a custom ticketing system and worked with technologies including PHP, SQL, Hugo, WordPress, and HTML/CSS—gaining hands-on experience in both static site generation and dynamic content management.

Spark-Y

Technical Consultant

March 2023 - February 2025 (2 years)

During my Spark-Y apprenticeship, I gained hands-on experience in sustainable practices, working with aquaponics systems, gardening, farming, and environmental education. I also supported various projects by designing and developing websites, combining my interest in nature with digital skills to promote sustainability and community engagement.

Securitas Security Services USA, Inc.

Flex Officer

January 2020 - August 2022 (2 years 8 months)

United States

As a Securitas Flex Officer, I provided critical security coverage across a wide range of high-profile sites—including Walmart, Ally Bank, HealthPartners corporate offices, a pharmaceutical manufacturing facility, and residential complexes. This role blended traditional security duties with office-based responsibilities, requiring adaptability, professionalism, and quick thinking in both routine and high-stress situations. I handled everything from access control and incident reporting to responding to emergencies such as overdoses, bomb threats, firearm threats, and potential mass shooting scenarios. My longest placement was at Ally Bank, where I served as a hybrid security and administrative professional, managing daily operations while maintaining a secure environment for staff and clients.

Saint Paul Police Department

Lecpa member

June 2019 - February 2020 (9 months)

Greater Minneapolis-St. Paul Area

As a member of the Saint Paul Police Department's Law Enforcement Career Path Academy (LECPA), I participated in a comprehensive program designed to prepare young adults from underrepresented backgrounds for careers in law enforcement. Through college coursework, community engagement events, youth programming, and mentorship, I gained firsthand experience in public service while supporting efforts to strengthen trust between law enforcement and the communities they serve.

Foss Swim School

Instructor

February 2019 - March 2019 (2 months)

Greater Minneapolis-St. Paul Area

As a swim instructor at FOSS Swim School, I taught children of various ages and skill levels, focusing on water safety, technique, and confidence in the water. I adapted lessons to meet individual needs, maintained a fun and safe learning environment, and communicated progress effectively with both students and parents.

\$20/Hr

Ace Hardware Corporation

Sales Associate

December 2018 - January 2019 (2 months)

Greater Minneapolis-St. Paul Area

As a Sales Associate at Ace Hardware, I assisted customers with product selection, provided knowledgeable advice on tools and home improvement solutions, and maintained an organized, well-stocked sales floor. I developed strong customer service skills and worked efficiently in a fast-paced retail environment, handling transactions, inventory, and daily store operations.

Amherst H. Wilder Foundation

Volunteer Nursing Assistant

August 2018 - October 2018 (3 months)

Greater Minneapolis-St. Paul Area

As a volunteer CNA at the Wilder Foundation, I supported elderly and medically vulnerable clients with daily living activities, offering compassionate care and companionship in a community-focused setting. I assisted with tasks such as mobility, hygiene, and monitoring health needs, while fostering a respectful and supportive environment for residents.

PYCC

1 year 11 months

Chef

October 2009 - April 2011 (1 year 7 months)

Maui, Hawaii

Sous Chef

August 2009 - October 2009 (3 months)

Maui, Hawaii

Dishwasher

June 2009 - August 2009 (3 months)

Maui, Hawaii
